SECTION
No. 711

Dear Sir,

In reply to your letter of the 21st instant I beg to inform you that this ship was drydocked at Messrs. Wilton-Fijenoord, Schiedam from the 12th till the 24th March.

We have not been requested by the new Owner to carry out an inspection, but nevertheless we saw the ship in drydock.

The bottom is seriously damaged over about 300 feet length from forward and has now been made tight by the welding on of 6 mm. plates and patches over the holes, after which the ship has been laid up at the premises of the new Owner at this Port.

Report 8 will follow.

Yours faithfully,

J. van der Meer

The Secretary,
LONDON.
