Dear Sir,

"NEPTUNIA" 10519

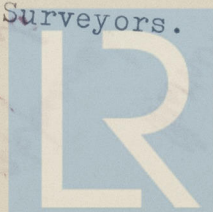

With reference to your letter dated 6th instant, we have to state that the required strengthening (3rd hinges and clips) of the embarkation doors have been prepared in shop but not yet fitted on board as recommended, due to lack of time and labour. The Norddeutscher Lloyd would like to have this work postponed to the first opportunity when the ship is alongside the yard quay.

Yours faithfully,

A. J. Blees
For the Surveyors.
