

FREEBOARD REPORT on the

S.S. "Prince Charles."

It is submitted the Antwerp surveyors be informed that it is noted from their Rpt. 19477 dated 18.7.34 that this vessel was under survey for part S. S. No. 1 and that the freeboards were verified. They should be reminded of the Secretary's letter of 20 December last and their reply of 22 Dec. last, and as then arranged they should forward form C12(a). It is understood that the summer freeboard is 13'-0 $\frac{1}{4}$ " and not 13'-2" as reported by them.

1.8.34

It is further submitted the surveyors be advised that similar forms are awaited for the "Princess Astrid," Prince Leopold, and Princess Josephine Charlotte, which appear to have been surveyed by them recently.
