LIVERPOOL.

Dear Sirs,

Coaster "LOSSIE" Yard No. 72.

The above vessel, which was launched on the 19th May 1920, is still lying at our Yard, and the completion of build is meantime deferred owing to the depressed state of the market.

Under the circumstances we would be greatly obliged if your Society would kindly defer the record of build until a purchaser is found.

We may say that the vessel has been, and will be regularly placed on our pontoon for painting and preservation purposes, and while she lies here all facilities will be afforded your Surveyor for carrying out any examination he may consider necessary.

Yours faithfully,
FOR THE MANCHESTER DRY DOCKS CO., LTD.
