Dear Mr. Clark,

It is pointed out that in the case of the  
S.S. "LOSSIE", although the fees for survey during  
construction have been paid the fee of £1.1.0 for Freeboard  
survey is still outstanding. Perhaps you will kindly let  
me know whether any difficulty is being experienced in  
collecting this and if so what are the circumstances?

With kindest regards,

Yours faithfully,

L. Clark, Esq.,

LIVERPOOL.
