R.

Dear Sirs,

I would confirm my telephone conversation with Mr. Lodder this afternoon that the Owners of the tanker "VRISSI" ex "OILSTREAM" require a Surveyor to attend the ship tomorrow morning to verify that the steam cylinder of the circulating engine has been renewed.

It has since been ascertained that the request for twenty-four hours' notice for a Surveyor to attend emanated from a port in this country, and did not refer to the port of Rotterdam at all.

An explanation has been forwarded to Mr. Antonopoulos, the Owners' Technical Director, and this matter may now be regarded as closed.

Yours faithfully,

Clerk to the
Classification Committee

The Surveyors,
ROTTERDAM.
