11th May, 1949.

Dear Sir,

"ESSO GENESEE"

I have to acknowledge receipt of your letter of the 10th instant, and in reply I have to inform you that the Annual Load Line Survey and Annual Survey for Classification became due in February last, and the Boiler Survey last month. A letter has been addressed to the Office at 14 Blythswood Square, Glasgow, requesting that you be advised direct of any items of deferred repairs, etc.

The Annual Survey for Classification is recorded in B.C. particulars of class, and a Rpt. 8 should accordingly be forwarded in addition to the Freeboard report.

Yours faithfully,

W. H. Waggett, Esq.,
DUBLIN.
