19th June, 1959.

sn. (H)

Dear Sirs,

M.S. "RANELLA"

With reference to the Specil Survey which will become due at the end of September, the Committee have agreed to consider postponement of this inspection until September, 1960, subject to a satisfactory General Examination being carried out in dry dock.

The Owners have informed the slo Surveyors that this vessel will arrive at Amsterdam about the 5th July, when the above inspection will take place, and I shall be glad if you will give the case the necessary attention.

The ship's Class is subject to ain Engine Cylinder Covers Nos. 1 and 5 (Metalok Repaired) being specially examined before the ad of October, when the Donkey Boiler Survey becomes due, and the Load Line Certificate will expire on the 5th September, 1960.

Yours faithfully,

The Secretary,  
London.

cc FAD

Clerk to the  
Classification Committee.

The Surveyors,  
AMSTERDAM.
