13th February, 1922.

Dear Sirs,

M.

I have to acknowledge the receipt of your letter of the 11th instant respecting the case of the M.V. "PHILO", Messrs. Camper & Nicholson's No. 299, and in reply to inform you that as this vessel is constructed for River and Harbour purposes, special provision will require to be made if the vessel is to proceed to Australia.

I shall therefore be glad if you will obtain from the Builders full particulars of the cargo proposed to be carried, and also the proposed draught.

Further, you should forward General Arrangement plans showing all openings in the deck and sides and the means for closing same.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,  
SOUTHAMPTON.

Secretary.
