Dear Sir,

"RIVER LODDON"

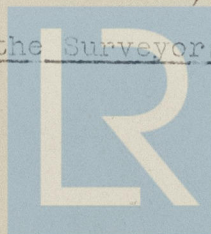

In reply to your letter of the 27th ultimo, we have to advise that the above named ship has already left this country for Osaka and we have therefore arranged for her Agents to forward the Load Line, Certificate and Copy to the Society's Surveyors in Japan for onward transmission to you.

Similar arrangements are also being made in the case of "River Fitzroy", "River Murrumbidgee" and "River Murchison", these ships being en route to Japan for breaking up.

Yours faithfully,

J.B. North
