LIMERICK 4th March, 1960

Messrs. Lloyd's Register of Shipping,
30 George's Quay,
Dublin.

m.v. "PLASSY".

Dear Sirs,

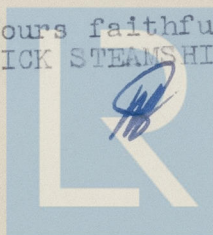

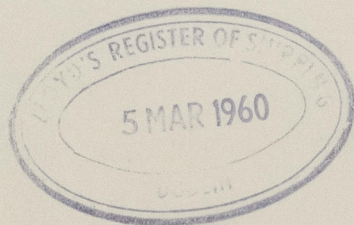

We acknowledge your letter dated 2nd March, with reference to the Special Survey on this vessel, which is due in April next, and would advise you that we have this matter before us, but have not made any precise arrangements as yet with regard to carrying out the necessary work.

When the full requirements of the Special Survey are dealt with, it is our intention to carry out the Screw Shaft Survey at the same time, and we will keep you advised of the position.

Yours faithfully,

For LIMERICK STEAMSHIP CO. LTD.
