Dear Sir,

I am in receipt of your letter of the 15th instant in regard to the fan motors for the refrigerating machinery of the Motorship "PLASSY", the contents of which are noted.

This matter has been referred to the London Outdoor Surveyors, and I enclose for your information, a copy of a letter received from them on this subject.

I shall be glad if you will take this matter up with Messrs. L. Sterne & Co., Ltd., so as to ensure that the inspection of fan motors intended for classed refrigerating machinery is carried out in future similar cases.

Yours faithfully,
