I am in receipt of your letter of the 12th instant regarding test certificates for the fan motors in connection with the refrigerating machinery of the Motorship "PLASSY".

In reply I beg to inform you that the fan motors comprising two 25" Axial flow 3.1/4 H.P. variable speed motors were ordered by Messrs. L. Sterne & Co. Ltd., from Messrs. Keith Blackman, Ltd., London, to Lloyd's survey on Order No. 134150 dated the 29th May, 1952, and were delivered direct to the vessel.

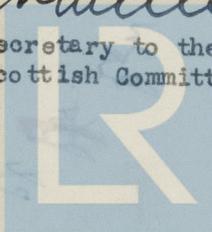

I may say that no certificates are available in this Office, but it is thought that these may be obtained from the London Outdoor Surveyors.

Yours faithfully,
