Dear Sir,

m.v. "PONTFIELD".

In reply to your letter of the 8th instant, we beg to state we are advised by the Owners that the required four Life Boats were placed on board this vessel before she left Gothenburg, but subsequently to the last visit paid by the Gothenburg Surveyor. One Punt is stated to have been placed on board after arrival in this country, and the Owners add that the boats were surveyed during construction by the Surveyors of the Board of Trade and also inspected and tested by them during the vessel's recent stay at this port.

We are, Dear Sir,

Yours faithfully,

THE SURVEYORS,
