High Close, Wiltshire Road,

Wokingham, Berks.

20th February, 1940.

S

Dear Sirs,

I duly received your letter of the 14th instant respecting the motor tanker "PONTFIELD", and much regret to learn that no visit was paid to this vessel while she was at your port.

With a view to complying with the Owners' wishes, however, I shall be glad if you will endeavour to arrange with them for a confirmatory statement to be forwarded from the local Board of Trade Offices of the fact that this vessel was under their inspection continuously from her arrival until late last month. Upon receipt of such documentary evidence the Committee will be prepared to amend the date of build of this vessel from 10.39 to 1.40.

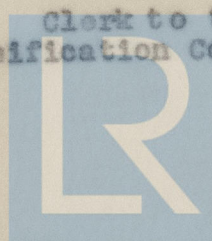

I am, Dear Sirs,

Yours faithfully,

Clerk to the  
Classification Committee.

The Surveyors,

NEWCASTLE-ON-TYNE.
