The Secretary,

S.

WOKINGHAM.

Dear Sir,

Motor Tanker "PONTFIELD".

With reference to your letter of the 9th instant, which was received by ourselves on the 12th instant, we beg to state we find that this vessel sailed from the Tyne on the 10th instant and it has accordingly not been possible to hold a Condition Survey as suggested in your letter.

We have made enquiries of the Local Board of Trade and Customs Representatives and are informed that while the vessel is being officially registered as of 1939 construction in view of the Builders' Certificate, the Board of Trade Surveyor visited her at various times after arrival in this country until late in January in connection with tonnage and other measurements.

In the circumstances we should be glad to receive your further instructions in the matter.

We are, Dear Sir,

Yours faithfully,

THE SURVEYORS,
