

Lloyd's Register of Shipping,

Collingwood Buildings, Newcastle-on-Tyne, 1.

2nd February, 1940.

The Secretary,
WOKINGHAM.

Dear Sir,

m.v. "PONTFIELD".

We beg to enclose herewith a letter received from the Owners regarding this vessel recently completed at Gothenburg, from which it will be seen they suggest that the date of build might be recorded as 2.1940, instead of 10.1939 as originally contemplated.

We might add that the vessel is at present lying at this port, but that we have not been requested to make any inspection.

We are, Dear Sir,

Yours faithfully,

THE SURVEYORS,
