Dear Sirs,

S.S. "SYROS"

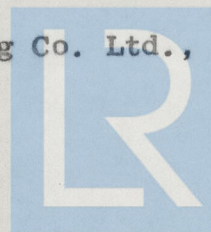

With reference to my letters of the 30th August and 29th September, I would point out that I am still without a reply to these communications and shall be glad to learn, as soon as possible, the position regarding the Main Boiler Survey and machinery condition of class.

At the same time I would point out that the Screwshaft Survey of this Liberty Type Vessel becomes due at the end of December and the Owners intentions regarding this inspection will also be appreciated.

Yours faithfully,

Classification Manager.
