Dear Sirs,

m.s. "PATELLA"

I am advised that a General Examination for the postponement of the Special Survey until July next will be held at Curacao about the 21st February, and I shall be glad if you will give the case the necessary attention being guided by Instructions to Surveyors, Part 3a, Amendment No.16, in view of the vessel's age.

It is understood that the condition of class requiring the supply of a bower and 105 fathoms of chain cable was dealt with at Liverpool on the 30th January, but you should confirm this.

Yours faithfully,

Classification Manager.

The Surveyors,  
CURACAO.
