

M.S. "H A V S T R A N D"

The scantlings and divergencies from the approved plans, detailed in the Bergen Surveyor's letter of the 14th January, have been compared with the B.C. Rule requirements for unrestricted service, and taken as a whole could be recommended for approval for "Carriage of light cargoes on Norwegian Coast and also for fishing purposes".

all.

24th January, 1950.
