Dear Sir,

S. With reference to Glasgow Report No. 48411 on the Steamer "KERMA", I have to say it is concluded that the semi box beam has been fitted to the aft peak bulkhead, and that the height of the outside tank brackets is as approved, but I shall be glad if you will kindly ascertain from the Surveyors and let me know whether this is so.

I am, Dear Sir,

Yours faithfully,

Clerk to the
Classification Committee.

The Secretary,

GLASGOW.
