Dear Sirs,

m.s. "PORT WYNDHAM"

With reference to the classification in this Society's Register Book, I would inform you that the following machinery items have not been seen for over four years, and shall be glad to learn what arrangements are proposed to be made for these parts to be examined at an early opportunity:-

Starboard main engine No.1 centre crankpin
and bearing.

Starboard main engine scavenge pump.
Spare gear (Board of Trade requirement).

I take this opportunity to remind you that the Screwshaft Survey will become due at the end of April and your intentions regarding this inspection will be appreciated in due course.

Yours faithfully,

Clerk to the
Classification Committee.
