Dear Sir,

Re: m.s. "STAN WOOLAWAY"

Replying to your letter of the 30th March

we would advise that we have not yet received Underwriters decision as to whether or not the above vessel has been declared a total loss and consequently we are unable at this stage to give you the information required but we will do so just as soon as we hear from Underwriters.

At the time of the casualty the vessel was voyaging from the Foreland Ledge off Lynmouth to Barnstaple with a cargo of gravel.

Yours faithfully,
for W. WOOLAWAY & SONS LIMITED.

Sam. J. Trenchard
General Manager.
