Dear Sir,

M.S. "STAN WOOLAWAY"

With reference to my memorandum of the 19th March, to which I do not appear to have received a reply, I shall be glad to learn what early and definite arrangements have been made by the Owners to drydock this vessel and carry out a Screwshaft Survey and Special Survey, due at the end of November 1963 and January 1964 respectively.

A reply by return if possible is requested⁴⁵ and in view of the last Docking Survey record of 3.62, the case must be brought to the attention of the Committee at an early date.

Yours faithfully,

Clerk to the
Classification Committee

R. M. Nicholson, Esq.,
PLYMOUTH.
