QUESTION

ANSWER

I shall be glad to learn what arrangements are proposed to be made for the Special Survey, due at the end of January, to be carried out.

NAB

Date:— 19th December, 1963.

The Owners inform me that the Special Survey will be carried out at the end of February. They do not wish to submit the vessel for survey until then as they are awaiting delivery of a new vessel which should go into service about that time.
