Dear Sirs,

CLASSING LETTER.

154847 "GLOUCESTER". As recommended, except that in view of the fact that the repairs to the starboard forward auxiliary engine No.6. water jacket, bedplate and crankcase have been examined twice over a period of about two years, and found satisfactory, this qualification of class has been deleted from the S.R.L. and inserted in the S.R.L. Appendix.

154951 "GREBE". As recommended.

I shall be glad to learn how this case now stands regarding the supply of a bower anchor and 15 fathoms of chain cable.

Yours faithfully,

pro Clerk to the
Classification Committee.

The Surveyors,
LONDON.
