LLOYD'S REGISTER OF SHIPPING

Port..... LONDON.....

..... 9th September, 1965.....

Dear Sir,.....

With reference to the Survey now
being held on the M.S. "GLOUCESTER"
8532 gross tons of London

I beg to inform you that, in consequence of the
condition of this vessel's Starboard forward
auxiliary diesel generator engine
metalock and electric welding repairs
in way of No. 6 unit
it will be my duty to recommend to the Committee
that the same be specially examined
before the end of September, 1966.
as provided for in the Rules, an extract from
which appears on the other side:—the continuance
of the vessel's character in the Society's Register
Book to be subject to the due fulfilment of this
condition.

Yours faithfully,
