Dear Sir,

m.v. "GLOUCESTER"

The Class Survey of the above named vessel falls due in July this year. At present the ship is engaged upon a protracted voyage on the North American/Australasian trade, but it is our intention to make a two-week repair period, including drydocking, at Montreal in July or August. The exact dates will depend of course on programme.

We wish to apply for your approval to operate the ship throughout her Year of Grace, subject to a General Examination by your Surveyor whilst the ship is in Montreal.

Yours faithfully,

Marine Superintendent.
