Dear Sirs,

C.
DHGK/BN

CLASSING LETTER

11322 "FERNSTAR". As recommended and subject as previously recorded. As no note appears on your Interim Certificate to the effect that a copy has been forwarded to the Oslo Surveyors as required by Circular 1860, I shall be glad if you will forward a copy to that Port if this has not already been done.

11319 "GLOUCESTER". As recommended. You should confirm whether the Main Engine Nos.1 & 6 side top or bottom ends were examined, since your Report and Interim Certificate do not agree in this respect.

Yours faithfully,

pro Clerk to the
Classification Committee.

The Surveyors,
AUCKLAND
