21st September, 1928.

Dear Sirs,

S. With reference to Mr. Campbell's call at this Office on Wednesday last, I beg to acquaint you that I am now in receipt of a communication from the Society's Surveyor at Rouen, in which it is stated that the certificates for the steamer "ITAHITE" were handed to the Shipbuilders on the 18th instant, and that they were subsequently transmitted to the Builders' Paris Office.

I therefore conclude that you will receive the documents in question in due course.

I am, Dear Sirs,

Yours faithfully,

Clerk to the  
Classification Committee.

Messrs. Campbell & Son,
