QUESTION

ANSWER

I shall be glad if you will
certain from the Owners and
me know what arrangements
they propose making to carry
out the Main Boiler Survey
which became due at the end of
December last.

I shall also be glad to learn
their intentions with regard to
this vessel being examined in
drydock, as it would appear
from the records in this Office
that she has not been seen in
drydock by the Society's
surveyors since December, 1956.

Date:— March 21, 1958

The Owners New York Office advise
that this vessel was taken out of ser-
vice and laid-up at Cabimas on the 3rd
instant.
