Dear Sirs,

M.S. "TOMAR"

I acknowledge your memorandum of the 13th May and would inform you that the Committee have noted the arrangements proposed by the Owners for carrying out the Auxiliary Boiler Survey.

It is also noted that the next Docking Survey will be held in October, 1967 as part of the Special Survey. I would point out that this will be twenty-four months after the last drydocking and is the maximum period normally agreed by the Committee.

Yours faithfully,

Deputy Classification Manager.

The Surveyors,  
OSLO.
