Dear Sir,

m.s. "TOMAR"

I am advised that the vessel will be returned to the Owners from Charterers at Montreal on the 27th October, when a General Examination afloat will be held with a view to the postponement of the Special Survey until some time before the end of December, 1967.

I shall be glad if you will arrange for the case to receive the necessary attention, and in this connection enclose a list showing the items outstanding to complete the Continuous Survey cycle of the machinery. You will observe that some items are now due, and these should be dealt with at the General Examination.

Yours faithfully,

Classification Manager.

The Secretary,
MONTREAL.
