- (3) Postponements already agreed:— The case is fully stated in an endorsement which received consideration on 29th October. It was then decided that the Screwshaft Survey must be held by the end of November 1965 if class is to be maintained.

- (4) New Proposal:— The vessel is now undergoing boiler repairs at Chittagong. As regards the Screwshaft Survey the Tailor Dockyard can drydock the vessel in mid-January, but endeavours are being made to drydock at the Karachi Shipyard about the same date (13 months after due date of TS). It is stated that a General Examination for postponement of the Special Survey is desired. It is now 24 months since the last SS & will be 26 months if present proposal approved.

It would appear that this ship has been
 held up at Chg. since last summer
 and in these circumstances it would
 appear reasonable to continue
 class to allow vessel to proceed
 to D.D. port. Chg. Bureau to
 be advised of subjects of
 class and item to complete
 MBS & requested to cable
 port to conform how
 long held up at that port.
