QUESTION

Your memorandum 8th May, and
letter 24th June - please furnish
position screwshaft survey and
completion boiler survey.

An early reply is desired.

ANSWER

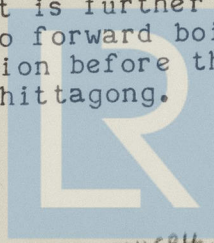

Date:— 24th August, 1965

Owners state that the ship due to
unforeseen circumstances is held up
at Chittagong.

It is expected that she will sail from
that port to Karachi by the middle of
September, 1965.

After discharging cargo at Karachi the
ship would be drydocked at this port,
as stated, by the end of October, 1965
and the screwshaft survey carried out.

It is further stated that the repairs
to forward boiler would receive atten-
tion before the ship sails from
Chittagong.
