Dear Sirs,

S.S. "PAKISTAN PROMOTER"

In reply to your letter of the 7th July I have to say that the Committee will be prepared to consider the postponement of the special examination of the propeller rubber Seal ring gland being deferred until October next provided that the propeller gland ring studs and wear down are satisfactorily checked by a diver at an early date.

I shall be glad if you will advise the Owners accordingly and let me know what arrangements are made in the matter.

Yours faithfully,

Deputy Clerk to the  
Classification Committee.

The Surveyors,  
KARACHI.
