JMC/CB

8 - FEB 1965

QUESTION

ANSWER

With reference to my letter of the 21st August, I shall be glad to learn if you are yet in a position to let me have any further information regarding the advancement of the Continuous Survey cycle of the machinery.

The items examined in your Report No. 37317 have been noted.

The attention of the Owners' Representative has again been drawn to the contents of your letter. We are advised that the vessel is on a somewhat tight schedule and difficulties have been encountered with maintenance. However, the Representative stated that he would be calling us within the next week for examination of further items.
