

## LLOYD'S REGISTER OF SHIPPING

Port ..... S. H. E. Z.

Date ..... 20th July, 1963.

This is to Certify that I have

surveyed the S/S "SALAMANNA" 2780 Gross tons of Monrovia  
 whilst she lay afloat at Suez on the 23rd July, 1963 and  
 subsequently on account of condition of class and repairs.

and that I am transmitting to the Committee of Lloyd's Register of  
 Shipping, London, a report, stating that all repairs recommended by  
 me have been completed to my satisfaction, also that I am  
 recommending that she be retained as now classed without fresh  
 record of survey and without conditions regarding No. 1 D.B.  
 tank and the forepeak bulkhead, starboard side, but subject  
 to the shell plate in way of the No. 1 hold bilge, port side  
 aft (cement box fitted) being permanently repaired the next  
 drydocking, and to any other condition at present attached  
 to the ship's class being dealt with as previously recommended.

G. COPT

Surveyor to Lloyd's Register of Shipping
