Dear Sirs,

"SANGOLA"

With reference to your letter CERT CGB/RW of 17th January regarding the Refrigerated Cargo Installation we advise that "SANGOLA" is at present laid up at Bombay pending possible disposal and that therefore no arrangements have been made for the running survey to be carried out.

There are other items overdue for survey which similarly will not receive attention unless it is decided to bring the ship back into service.

Yours faithfully,

General Manager.
