Dear Sirs,

M.S. "SANGOLA"

I acknowledge your letter of the 7th January and note that a General Examination in dry dock is being held so far as is possible at the same time as an Annual Load Line Survey at Bombay now. The Committee are agreeable to this arrangement and, in these circumstances, there will be no objection to the proposed voyage to Lourenco Marques. The Society's Surveyors at Bombay have been advised.

Yours faithfully,
