Dear Sirs,

M.S. "SANGOLA"

With reference to the classification of this vessel in the Society's Register Book, I would remind you that a Special Survey and a Special Survey of the refrigerated cargo installations will become due at the end of November next, and I shall be glad to learn, for the information of the Committee, what arrangements are proposed to be made for this inspection to be held.

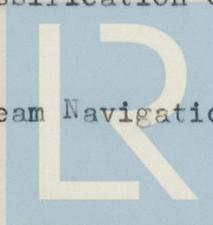

I take this opportunity to point out that the Running and Donkey Boiler Surveys will become due at the end of December, and I shall be pleased to learn your intentions regarding these inspections.

You will appreciate that if the Running (or Biennial) Survey is not carried out by the due date, refrigerated cargoes loaded thereafter will not be covered by a valid Certificate.

Yours faithfully,

Clerk to the
Classification Committee
