And.....

Dear Sir:

Further to previous letters forwarded concerning the abovenamed vessel, I now have to advise you that she was successfully towed from Budge Budge to King George Dock Calcutta where she is now berthed at the Buoys.

It is intended to drydock the vessel later this week for a preliminary examination to enable a specification to be made for repairs, to enable the Surveyors to do which I shall be pleased if you will send out a copy of the first entry reports.

No long term drydock is available at Calcutta for about six weeks.

Yours faithfully,

*R. Miller*
