Dear Sirs,

S. Tanker "WAVE SOVEREIGN".

With reference to the Classification in the Society's Register Book, I have to remind you that the vessel has not been seen in drydock, by the Society's Surveyors, since December, 1964, and shall be glad to learn what arrangements are proposed to be made for a further examination in drydock.

I take this opportunity to remind you that the Main and Auxiliary Boiler Surveys became due at the end of January last, and your intentions regarding these inspections will also be appreciated

Yours faithfully,

Classification Manager.
