QUESTION	ANSWER
<p>With reference to my telex dated the 21st April, I shall be glad to learn if you are yet in a position to let me know what arrangements are proposed to be made for the Special Survey to be completed by the end of July. It is concluded that the Screwshaft, Steampipe and Main Boiler Surveys will also be held at the same time as the Special Survey.</p> <p>I would add that this vessel has been reported as under survey at Hiroshima on the 10th June for the General Examination, but the Report has not so far been received in this Office.</p>	<p style="text-align: right;"><i>Handwritten signature</i></p> <p>Date:— 13th July, 1966</p> <p>The Owners decided not to proceed with Special Survey. The vessel was delivered to Shipbreakers at Hirao, Yamaguchi Prefecture on 3rd July and is now being broken up.</p> <p style="text-align: right;"><i>Handwritten signature</i></p> <p>For the Surveyors, Kure</p>
