Dear Sirs,

I am in receipt of your letter of the 10th instant respecting your Report No.18222 on the Steamer "EMPIRE MARLOWE" and may say it is considered the fee entered on your report should be reduced by the sum of £11. 18. 0., the amount which was charged for the survey of the auxiliary boiler during construction at Middlesbrough.

I shall therefore be glad if you will amend your books accordingly.

I am, Dear Sirs,  
Yours faithfully,

The Surveyors,
