Dear Sirs,

m.v. "SAMEIRO"

We refer to previous correspondence concerning overdue surveys of the above vessel, which is now owned by a firm of shipbrokers in Lisbon.

A representative of this firm (Messrs. J. Vasconcelos, Lda.) has today informed us that he wishes to sail the vessel to a North European port - perhaps Antwerp, as a function of re-sale. It is understood that an interested party has asked him if all certificates are in order for such a voyage, and that the sale may be completed in a few weeks time.

Accordingly the present owner is anxious that all outstanding surveys be granted an extension to about the end of November 1960, and would appreciate early consideration of the position.

Yours faithfully,

G. J. Atkins.

For the Surveyors.

The Secretary,
