## Lloyd's Register of Shipping,

High Close, Wokingham, Berks.

Dear Sirs,

1st September, 1943.

S. With reference to my classing letter of the 24th ultimo relative to the steamer "EMPIRE LAIRD", I have to point out that the enquiry made therein regarding auxiliary engines and compressors also applies in the case of the "EMPIRE TOWNSMAN" (Hull Report No. 52108). I shall therefore be obliged if you will kindly furnish me with the desired similar information in this case.

I have also to inform you that the dynamo test certificates in these cases stated to have been forwarded with your reports have not been received, and I shall be glad if you will forward same.

I am, Dear Sirs,  
Yours faithfully,

The Surveyors,  
HULL.

Clerk to the  
Classification Committee.
