Enclosure

14th February, 1961

Dear Sirs,

Classn. (H)

"CRITI" ex "PLYMSTOCK"

With reference to my cablegram of today's date, Lloyd's Agents at Casablanca stated on the 10th instant this ship was in drydock for approximately seven days and that the Owners wished to carry out a reclassification survey.

The inspection in question should be carried out by a Senior Exclusive Surveyor and, in the circumstances, you were instructed to contact Lloyd's Agents at Casablanca with a view to discussing the arrangements proposed to be made for reclassification, and it is concluded this has now been done and that arrangements have been made for a Surveyor from your port to attend.

For your information and guidance I enclose memoranda showing the Society's requirements for reclassification.

Lloyd's Agents at Casablanca have been advised accordingly and a copy of the enclosed documents have been forwarded to L. Barber Ltd.

Yours faithfully,

c.c. Madrid

Clerk to the  
Classification Committee.

The Surveyors,  
CADIZ.
