Dear Sirs,

"CRITI" ex "PLYMSTOCK"

I have your cablegram of the 10th February, and, in confirmation of my reply, would inform you that the reclassification survey should be carried out by a Senior Exclusive Surveyor to this Society assisted, if necessary, by a local surveyor.

In the circumstances particulars of the case have been forwarded, by cable, to the Society's Surveyors at Cadiz who have been instructed to contact your good-selves and discuss the arrangements proposed to be made for the carrying out of the inspection in question.

For your information I enclose a memorandum showing the requirements for reclassification.

Yours faithfully,

Clerk to the
Classification Committee.
