The Secretary,  
Lloyd's Register of Shipping,

LONDON, E.C.3.

Dear Sir,

s.s. "SOUTH AFRICA STAR"  
-----

Referring to our telephone conversation of this morning, we confirm that the Stream Wire included in the Equipment of this vessel is  $4\frac{3}{4}$ " x 105 fathoms and as this very nearly approaches the rule requirements of 5" x 120 fathoms we do not propose making any change.

We trust that you have no objection to this proposal.

Yours faithfully,  
for BLUE STAR LINE LIMITED,

*Blackburne*  
Superintendent Engineer.
